

# Let's meet at AgroParisTech in 2027!!!

- Expected date: early autumn 2027 (tbc)
- Proposed focus for the new edition: **Innovation** in the bioeconomy  
+ additional sub-focus: Bioeconomy going global
- Also an opportunity to celebrate with the EBU community the 20<sup>th</sup> Anniversary of AgroParisTech (which is the result of a 2007 merger)

# Let's meet at AgroParisTech in 2027!!!

- Meeting on our main Campus in **Palaiseau**, located within the Paris-Saclay area in the South of Paris, an excellence cluster dedicated to research & innovation (public & private), top-level higher education and entrepreneurship.
- Access to the campus with the newly inaugurated line 18 (metro station less than 5 minutes away from our campus).
